GPS SATELLITE TRACKING

TRACK FLEET & VEHICLES

Live Map View, Detailed Reporting, Geo-Fencing and more!

FEATURES

Watch live or log location, ignition, speed, times, street names, and more. Comprehensive reports are automatically kept for the last 12 months, with advanced search features.

In addition to providing location & ignition data, it also displays odometer data, assisting with automotive servicing.

Discreet national installations

We can install the tracking unit under a panel in the vehicle where it won't be found easily. It has a battery backup and we are alerted when it is tampered with.

Objectives of tracking

- » Why get tracking?
- » Record keeping & accountability
- » Get the facts about where your vehicle is at all times
- » Complete security for vehicle & load

2000

Vehicles use our
GPS Tracking system

Benefits

- + Enhanced Vehicle & driver efficiency
- + Reduced costs
- + Enhanced Security
- + Reduced Insurance premiums

Service happy customers for more than 25 years. Nationwide service

BLADE FUSE

with LED Fault Indicator

SMART-FUSE

It glows when it blows!

SMART-FUSE GLOWS WHEN IT NEEDS REPLACING

Let your car tell you the problem! Smart-Fuse will illuminate when it needs replacing - eliminating guesswork, night-time fiddling, and other hiccups associated with fuse replacement

FEATURES

- » Easy to find blown fuses in any location
- » Colour coded by amperage
- » No tools - snaps into place
- » No guesswork, no testing
- » Ultra effective for troublesome circuits
- » Popular in USA and Asia - this is the first time in Australia

Amps	Volts	Colour
5	32	Tan
7.5	32	Brown

A large, bold, blue stylized 'X' logo is positioned in the upper left quadrant of the page. The 'X' is composed of two overlapping, thick, blue diagonal bars that intersect in the center. The background behind the 'X' is a light blue gradient that transitions into a darker blue gradient towards the right side of the page.

The logo for ONE X is located in the bottom left corner. It features the word "ONE" in a bold, red, sans-serif font, followed by a stylized "X" in a bold, black, sans-serif font. The text is set against a white background with a slight shadow effect, giving it a three-dimensional appearance. The background of the entire page is a light blue gradient that transitions into a darker blue gradient towards the right side.
